as cool and white as a dairy. No smell, no smoke, no heat, no dust. No old-fashioned contrivances. The

is the latest practical, scientific cook-stove. It will cook the most elaborate dinner without heating the kitchen.

Boils, bakes, or roasts better than any range. Ready in a second. Extinguished in a second. Fitted with Cabinet Top, with collapsible

rests, towel rack, and every up-to-date feature imaginable. You want it, because it will cook any dinner and not heat the room. No heat, no smell, no smell, no smoke, no coal to bring in, no ashes to carry out. It does away with the drudgery of cooking, and makes it a pleasure. Women with the light touch for pastry especially appreciate it, because they can immediately have a quick fire, simply by turning a handle. No half-hour preparation. It not only is less trouble than coal, but it costs less. Absolutely no smell, no smoke; and it doesn't heat the kitchen. The nickel finish, with the turquoise blue of the enameled chimneys, makes
